Materials: Expanded Polypropylene.	Thickness: 12mm
Colour: Black	Anti-UV: No
Appearance and texture: Non-slip	With logo: No

Benefits

Even lighter than the wood version, this offers the ultimate in protection and efficiency. Easy-to-clean, water-resistant and tough even at the edges, it features a unique honeycomb structure designed to absorb impacts. Thanks to a durable design, it will keep your Vivaro interior looking as good as new, which could increase the residual value of the van when you come to sell.

Recyclable: Yes

Panels pre-drilled for easy assembly. Expertly constructed and made to fit seamlessly into the design of the vehicle.

New Vivaro

Wind Deflectors

Rear Bumper Protector

Splash Guards

Exterior

Wind Deflectors

Get a breath of fresh air without the draught. With these specially designed wind deflectors, you can drive with the window open even when it's raining – handy when it comes to demisting windows. Unlike some deflectors, these do not affect the anti-pinch function on the electric windows, as they are tailor-made for the shape of your Vivaro. Quick and easy to fit. Set of 2 for front doors.

Part No. 1615052180

Rear Bumper Protector

A transparent, adhesive protective film for the boot sill. Gives you an added layer of protection against scuffs, scrapes and scratches.

Part No. 1614304980

Splash Guards

For better safety when the weather takes a turn for the worse. Splash guards protect the lower parts of your Vivaro from water, mud and gravel, as well as helping you to avoid splashing vehicles behind you.

Part No. 1613407880 **Front pair**

Part No. 1613407980 **Rear pair**

New Vivaro

Steel Roof Rack

Aluminium Roof Rack

Rear Door Aluminium Ladder

Steel Roof Rack

This steel roof rack with black epoxy paint comes complete with noise deflector and half-loading roller for added convenience.

Part No. 1631065380 L1
Part No. 1631065580 L2
Part No. 1631065780 L3

Aluminium Roof Rack

This anodised aluminium roof rack includes a noise deflector, loading roller and step plate for easy access.

Part No. 1612587880 L1
Part No. 1612587980 L2
Part No. 1612588080 L3

Rear Door Aluminium Ladder

Ladder made of lightweight aluminium to make it easier to load and secure items on the roof rack. For right-hand rear door.

Part No. 1612588180

Thule Roof Attachments

For use with Roof Base Carrier

Thule Ladder Tilt 311

The ladder carrier that saves your back and your time.

- Can be pulled away from the roof and tilted down the side of the vehicle, giving you a more comfortable loading height
- Made from durable, lightweight aluminium
- A ratchet mechanism with durable rubber straps secure the ladder quickly and easily
- Load capacity of 50 kg
- 3-part extension ladders
- Includes the Ladder Step Adapter 310 for when the steps are off-centre

Part No. 95513795

Thule Front Load Stop System 321 (Front)

For safe roof transportation of loads up to 6 metres long.

- The modular system allows you to create your own safe carrier solution for longer and bulkier loads
- An excellent complement to the Thule Conduit Box 317 if you want to carry pipes over 3 metres long or you have larger diameters
- This safety accessory is easy to fit and made from a durable and protective polymer
- City crash tested and approved, featuring a built-in crash plate behind the plastic shield
- Two special ratchet tie downs for the Thule Side Profiles 322 are included to secure the load
- Needs to be combined with one or several Thule Side Profiles 322 to adjust to your load length

Part No. 95513799

Thule Front Load Stop System 322 (Side profiles)

Modular side profiles, so you can adjust the length of the Front Load Stop System to fit your vehicle.

- The modular system allows you to create your own safe carrier solution
- Accommodates loads of up to 6 metres
- Load capacity: 100 kg
- Needs to be combined with Thule Front Load Stop 321
- Includes two straps with a safe and user-friendly U-bolt design, which can be fastened in one easy move

Part No. 95513798

Thule Ladder Holder 330 and Fold Down Load Stop 315

Thule Ladder Roller 335

Thule Ratchet Tie Down Strap

Thule Ladder Holder 330

- Easy-to-handle ladder carrier with a unique ladder fixing, for quick and easy loading and unloading
- Wide and robust straps with a ratchet mechanism
- Load capacity: 50 kg
- Set consists of 2 strap mechanisms and 4 load stops

Part No. 95513796

Thule Fold Down Load Stop 315

- Unique, patented load stop that simply folds out of the way when loading, unloading or when not in use
- Easy sideways adjustment through tilt mechanism
- Fitted to the rear T-track of the base carrier bars which leaves the top T-track free for fitting other accessories
- When not in use, keeping it folded will reduce wind noise
- Set of 2

Part No. 95513801

Thule Ladder Roller 335

- Makes loading and unloading easier thanks to the integrated Roller, while also protecting the roof. Attached to the rear T-track of the base carrier bar
- Can be used with other accessories fitted to the top of the base carrier
- Width: 1,100mm

Part No. 95513797

Thule Ratchet Tie Down Strap

Ratchet tie downs help you to quickly and safely secure loads. Consists of 2 parts: 4.1m strap and 0.4m ratchet with S-hook.

Part No. 95513800
